To the European Union Studies Association Japan

Dear EUSA J Institution,

I am pleased to inform you that the selection for admission to MIREES for the a.y. 2021/22 is open.

The two-year Master of Arts in Interdisciplinary Research and Studies on Eastern Europe (MIREES) <<https://corsi.unibo.it/2cycle/mirees/index.html>> is a joint programme offered by the University of Bologna (Italy), Vytautas Magnus University in Kaunas (Lithuania), St. Petersburg State University (Russia) and University of Zagreb (Croatia). The degree programme is entirely taught in English (120 ECTS) and offers

interdisciplinary, in-depth knowledge of post-socialist countries in transition, new EU member states, and new East-European neighbor countries. Students develop language skills by learning one Eastern European language both in the 1st year (3 levels of Russian, Bosnian-Croatian-Serbian, Bulgarian, Slovak) and 2nd year of study. Enrolled students spend the first year in Forlì. In the second year, a minimum of 5 months will be spent at one of the Partner Universities or, in particular cases, at other Mirees associated Universities. A mobility grant is offered to all enrolled students, thanks to Erasmus + or the MIREES mobility scheme. Internship and research opportunities are available in the fourth semester.
